- 10 year function warranty

Our solar power system lets you make perfect use of the sun's energy!

GASOKOL

topSol IN-ROOF SOLAR WATER-HEATING PANEL

TOPSOL – THE PREMIUM SOLUTION

topSol solar panels are the ideal product for integrated roof installation. Available in standard formats of 2m² or 4m², topSol can also be extended.

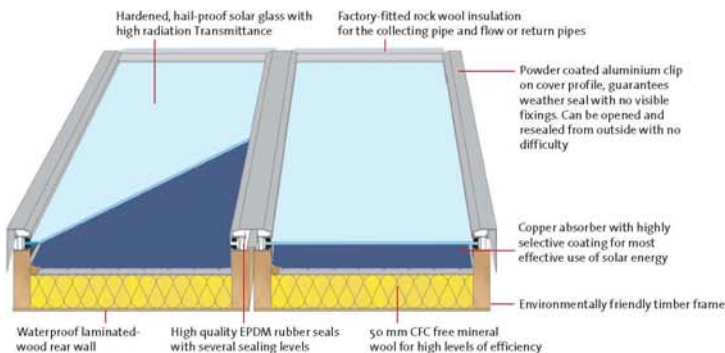

EVERYTHING IS POSSIBLE

The in-house production of all solar panels allows customised solutions. There are almost no restrictions on form and colour. Special dimensions can be produced and delivered.

MATURE TECHNOLOGY

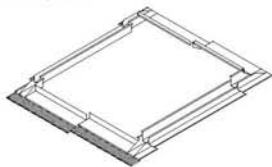

All GASOKOL systems are distinguished by their efficiency and durability and are continuously improved and developed. Every panel has a 10-year warranty. The exclusive use of high quality raw materials guarantees products of premium quality.
